Supervise your  
Children

If your little one is 8 or under (or still learning to swim), a grown-up (16+) needs to be in the water with them, within arm's reach at all times.

Swimmers under 14 must always have an adult nearby, staying in the pool area, just in case.

One adult can safely supervise up to two children under 8 in the water.

**Failure to comply to these rules will result in us asking you to leave the premises**
